**UK Export  
Finance**

**UK Export Finance** is the UK's export credit agency, serving UK companies of all sizes.

We help by providing insurance to exporters and guarantees to banks to share the risks of providing export finance. In addition, we can make loans to overseas buyers of goods and services from the UK.

In the past five years, we have provided:

- £14 billion worth of support for UK exports;
- direct support for more than 300 customers supported directly, with many thousands more benefiting through export supply chains;
- nearly 2000 individual guarantees, loans or insurance policies.

UK Export Finance is the operating name of the Export Credits Guarantee Department (ECGD).
